Dear Friends:

The last few weeks have been challenging for all West Virginians. Violent storms ripped through our state, beginning June 29th, leaving more than 688,000 homes and businesses without electricity and thousands with substantial damage. The electrical outages were unprecedented.

I want to personally thank you for your generous donation to West Virginia's food banks. Your assistance was absolutely crucial to the storm response and helped many West Virginians during their time of need. Please know, your generosity has not gone unnoticed. The people of the Mountain State are lucky to have you as a friend.

On behalf of the citizens of West Virginia, I extend my sincere gratitude for your kindness and compassion. We will always be grateful.

Best Regards,
